

over **30** Years of experience

- An award-winning full-service design firm doing design concept through installation. Specializing in lifestyle transitions we create your aging in place environments.

- Designer of the “Innovative Model of Living” that was created as a dynamic research laboratory to educate seniors on options for independent living.

- Developer of Pack-N-Move™, your full-service transition resource, facilitating relocation across town or around the county.

- Professional member of Northern Virginia Senior Alliance, Illuminating Engineering Society of North America, and Allied Member of the American Society of Interior Designers.
